STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State of Maryland

DEPARTMENT OF HEALTH AND MENTAL HYGIENE

Title 2, Subtitle 2, Section 2-101 of the Health-General Article established the State Department of Health and Mental Hygiene to encompass all major departments, boards and commissions with responsibility for providing State financed health, mental hygiene, and related services.

The basic objectives of the State Department of Health and Mental Hygiene are: to develop a health program providing protection to Maryland residents against preventable disease and premature loss of life; to provide comprehensive health and medical services for the indigent and medically indigent; to provide inpatient and outpatient services for the chronically ill, for the mentally ill, for the developmentally disabled, for persons with tuberculosis, and for drug, and alcohol abusers; and to advance the health of all residents through the conduct of special studies, research and through the creation of adequate health manpower.
